### SONG

the real thing  
the weight  
baby blue  
some kinda wonderful  
walk on the wild side  
come up and see me  
long way to the top  
baby please don't go  
la grange  
long train running  
time  
alright now  
feel like makin love  
proud mary  
born to be wild  
roadhouse blues  
saturday nights alright  
gloria  
jumpin jack flash  
crazy little thing called love  
why didn't you call me  
message in a bottle  
when love comes to town  
all the boys in town  
old time rock and roll  
walkin by myself
